

SUNDAY

By Sunday morning the rain and wind was gone. Several folks lost popups and a couple reported minor RV damage, but we survived. The Sunday morning potluck breakfast was highlighted once again by Sourdough Scott Sutton's famous sourdough waffles. Before packing up to go home, everyone pitched in to break down and put up tables and chairs, take out the trash, and sweep the floor. We left the MCC with good graces and Mineola is looking forward to the 2020 NDOG which will be held at the MCC on Columbus Day weekend (October 8 – 11, 2020).
